

Myers Power MLL-SN3 smart home device equipped with integrated motion sensor and light sensor capabilities. The unit features selectable correlated color temperature settings of 2700K, 4000K, and 6500K. Powered by a 1000mAh battery with 5V DC power source, the device includes a DC power supply in the package along with charging cable and magnetic patch. Constructed from ABS and metal materials in white finish, measuring 112 × 64 × 19.2mm and weighing 92g. Operates in temperatures from 0°C to 40°C with humidity tolerance of 20-95% RH non-condensing, and supports storage temperatures between -20°C and 35°C.
