1. Product overview

Foldable toilet bags are compact hanging organisers designed to store toiletries, grooming products and hygiene essentials. They are suitable for travel, camping and everyday use.

This manual applies to all foldable toilet bag models, sizes and colours. The dimensions, weight, material and compartment layout of your model are given on the product label and in the product datasheet.

Some features described below may not be available on every model.

Features

- **Water-resistant material:** Protects the contents from splashes and moisture.
- **Organised storage:** Zippered mesh pockets and elastic slots keep items visible and easy to reach.
- **Hanging hook:** Lets you hang the bag on a door, rail or branch for convenient access.
- **Compact design:** Folds into a compact size for packing in luggage or a backpack.

2. Usage, maintenance and care

Usage

- **Before first use:** Remove the packaging and check that all zips and the hook work properly.
- **Packing:** Close all containers tightly to prevent leaks. Place heavy items in the lower compartments.
- **Hanging:** Unfold the bag and hang it by the hook on a stable support.
- **Folding:** Close all zips, fold the bag along its sections and fasten the outer closure.
- **Load:** Do not overfill pockets or force zips closed. Keep razors and scissors covered.
- **Water resistance:** The material is water-resistant, not waterproof. Do not submerge the bag.

Operating and storage conditions

Parameter	Value
Operating temperature	–20 to +60 °C
Storage temperature	–30 to +60 °C
Storage conditions	Store dry in a well-ventilated place
Sunlight	Avoid prolonged exposure to direct sunlight
Heat sources	Keep away from open flame and heat sources

Care instructions

Care step	Instruction
Cleaning	Wipe with a damp cloth
Washing	Hand wash only, max 30 °C
Detergent	Use a mild detergent
Bleaching	Do not bleach
Drying	Air dry, fully unfolded; do not tumble dry
Ironing	Do not iron

- **Storage:** Empty and dry the bag before folding. Never store it wet or damp, as this can cause odour and mould.
- **Inspection:** Check seams, zips and the hook regularly; wipe up spills promptly. Do not use the bag near open flame: synthetic fabric can melt.
